What is the difference between the Recreational and Competitive leagues? The Recreational league is designed to teach and enhance player's volleyball fundamentals. It is provided for new or inexperienced players or those who do not wish to play in a competitive environment the team assignment policy is the league handbook or our website. **The** competitive league is designed for more advanced players or those who wish to play in a competitive environment. Teams are pre-formed by coaches and supplemented by players through a tryout. Players not on a pre-formed team that wish to play in a competitive league must attend a tryout. Player's not selected during the competitive draft will be assigned to a Recreational team.
